

WHO ARE WE?

South Africa's largest forestry organisation, a non-profit entity based on voluntary membership. Our members own or control 92% of all timber plantations

www.forestry.co.za | enquiries@forestrysouthafrica.co.za.

WHO ARE OUR MEMBERS?

FSA has three types of membership: ordinary, associate and honorary life members with 99% of our members falling into the ordinary members group.

For more information check out our timber plantation ownership infographic

WHAT IS OUR MISSION?

To serve the interests of all South African timber growers in a manner that will enhance the long-term sustainability and profitability of their activities and which will promote the growth and development of the forestry industry.

WHAT DO WE DO?

ADVOCACY AND LOBBYING

Governments
(national, provincial, local)
Certification bodies
Funding bodies
Related industry bodies

RESEARCH

Sorting house for industry
related information
Analysis
Distribution
Instigation

INCREASING PRODUCTIVITY

Forest protection
(pests, diseases & fire)
Tree breeding
Production methods

FUNDING

Collection from members
& third parties
Distribution to industry
activities

EDUCATION & TRAINING

Supporting tertiary forestry
education
Supporting FP&M SETA with
skills development

BUSINESS DEVELOPMENT

Uplifting small-scale
grower sector through
structured interventions
& training

TRANSFORMATION

FOREST PROTECTION

SKILLS DEVELOPMENT

TRANSPORT ISSUES

LAND REFORM

OUR KEY FOCUS AREAS

AFFORESTATION AND WATER ISSUES

RESEARCH

HUMAN RESOURCES

ENVIRONMENTAL ISSUES

OUR TEAM

FSA is a collective body that needs to operate proactively, react when necessary and work as one united association. To do this we have a core of permanent staff that supports a much larger decision-making and operational framework that includes consultants, committees, working groups and members.
